

# Till The Rivers All Run Dry

[Don Williams](#)

Till the rivers all run dry till the sun falls from the sky  
Till life on earth is through I'll be needing you I know sometimes you may wonder from little things I say and do  
But there's no need for you to wonder if I need you cause I'll need you  
Till the rivers all run dry till the sun falls from the sky  
Till life on earth is through I'll be needing you Too many times I don't tell you too many things get in the way  
And even though sometimes I hurt you still you show me in every way  
Till the rivers all run dry till the sun falls from the sky  
Till life on earth is through I'll be needing you.
