

# Little Geneva (feat. Ernest "Big" Crawford)

## Muddy Waters

I was standing in my kitchen  
Looking way out 'cross the field  
Yes, I was standing in my kitchen  
Looking way out 'cross the field I thought I heard, I thought I heard  
My little Geneva call me Well I was standing at my window  
Watching the rain begin to fall  
Yes, I was standing at my window  
Watching the rain begin to fall I want to see Geneva so bad this morning  
Man, she heals my all in all Alright, Geneva Yes, I was standing in my door  
Watching the sun go behind a tree  
Yes, I was standing in my door  
Watching the sun go behind a tree I want to see Geneva so bad, so bad  
Right now I'm on my bended knee
