Holding On

Home T/ Cocoa Tea/ Shabba Ranks

Ooh yeah
I'm sitting here by myself
But I don't wanna feel this way
I've been missing
I've been missing your love
There's never been nobody so good
You're so special to me
I'm not losing
I'm not losing your love
I always thought that I could do my own thing
But I didn't know what your love would bring
Since you came along
Baby I've been holding on
Since you came along
Baby I've been holding on
I'm gonna call you everyday
Until I've got you by my side
Cause I've been missing
I've been missing your love
I'll never say goodbye no,no

I'm never gonna do you no wrong
I'm not losing
I'm not losing your love
I always thought there was no one for me
But I didn't know how good your love could be
Since you came along
Baby I've been holding on
You're staning by my side
When things go wrong
You hold me in your arms where I belong
I've never been down
Since you came my way
Cause everytime you smile
Baby you make my day
I'm holding on, holding on I keep on holding
I'm holding on, holding on I keep on holding on (keep on holding)
Since you came along
Baby I've been holding on

Since you came along
Baby I've been holding on
