

Clowns (Live From Air Studios)

Goldfrapp

Only clowns would play with those balloons
What d'ya wanna look like Barbie for
Dear oh Lord, it's easyRoasting, roasting, roasting deed
Mahogany
Titties that live on and on and on and onOnly clowns would play with those balloons
What d'ya wanna look like Barbie for
Dear oh Lord, it's easyOnly clowns would play with those balloons
Passive when I'm in record
Day and night I'm watching youRoasting, roasting, roasting deed
Mahogany
Titties that live on and on and on and onOnly clowns would play with those balloons
What d'ya wanna look like Barbie for
Dear oh Lord, it's easy
