

Secret Love

[Andy Williams](#)

When I first time that walking on rain
No body knew, not even you
But how long can a man hope to hide
Love that's lacked inside
Once I had a secret love
That lived within the heart of me
All too soon my secret love
Became impatient to be free
So I told a friendly star
The way that dreamers often do
Just how wonderful you are
And why I'm so in love with you
Now I shout it from the highest hills
Even told the golden daffodils
At last my heart's an open door
And my secret love's no secret anymore
