Suspect

Matstubs

Take me down
Tonight, I'll walk
Sit down and let me know my rights
Tell about, tell about someone else
I know it, I know it
This time is suspect there are
I talk and give me you the time
So spare time and talk with me
I'll do anything you want so suddenly
But I don't know, all I can think about is you
What words I have?
Take time, we've spoken sixty-five
S'all about, s'all about someone else
I know it, I know it
This time, I've suspect stolen dollar
I talk with you this high
Come and talk no tears

Come and talk no tears
Come and talk no tears
Come and talk no tears, tears
Tears I could swear
Wasn't thinking right, wasn't there
As for me, asking you
Unbelievable, what'cha do?
Tears I could swear
Wasn't thinking right, wasn't there
As for me, asking you
Unbelievable, what you know I making wrong?
And spare time and talk with me
I'll do anything you want so suddenly
Come and talk no tears
Come and talk no tears
Come and talk no tears
Come and talk no tears, tears
