Vobiscum Satanas

Dark Funeral

Vobiscum SatanasCursed Nazarene, impotent king
Behold great Satanas
As he drives his nails deep
Into thy handsThe weak fugitive god eyes
Cries holy tears of blood
As the evil one, press down
His crown of thornEgo vos benedictio
In nomine magni dei nostri Satanas
Ave Satanas
Ave domini inferniOh, crucified Nazarene
Where are your powers now
When you are facing the greater forceCursed Nazarene, impotent king
Behold thee great Satanas
