

# Vobiscum Satanas

## Dark Funeral

Vobiscum SatanasCursed Nazarene, impotent king  
Behold great Satanas  
As he drives his nails deep  
Into thy handsThe weak fugitive god eyes  
Cries holy tears of blood  
As the evil one, press down  
His crown of thornEgo vos benedictio  
In nomine magni dei nostri Satanas  
Ave Satanas  
Ave domini inferniOh, crucified Nazarene  
Where are your powers now  
When you are facing the greater forceCursed Nazarene, impotent king  
Behold thee great Satanas
