

# Where Did He Go

Keri Hilson

Everybody's tellin' me to wait for you to call back  
Can you tell me where did he go?  
But I don't ever want another girl to come and get that  
Can you tell me where did he go? My train of thought is gunnin'  
And now you're runnin' on the same track  
Can you tell me where did he go?  
And now you're leavin' me to have to find out where you been at I'm a mess right now, out of order  
I'm torn up, I'm goin' down  
Won't you hold me together? I'm pourin' out  
I need you that's how I feel I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately People always askin' me what is got me wearin' all black  
Can you tell me where did he go?  
Stressin' got the best of me, I really need to fall back  
Can you tell me where did he go? Wish I never said that you and me could never go back  
Can you tell me where did he go?  
But I just wasn't thinkin'  
Can't you see I didn't mean that? I'm a mess right now, out of order  
I'm torn up, I'm goin' down  
Won't you hold me together? I'm pourin' out  
I need you that's how I feel I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately Can you tell me where did he go?  
Tell me, tell me  
Where did he go? Where did he go?  
Tell me Because I'm a mess right now, out of order  
I'm torn up, I'm goin' down  
Won't you hold me together? I'm pourin' out  
I need you that's how I feel I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through

'Cause I been needin' you lately I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately I refuse to believe  
You do not think of me like I do you  
If I'm right then show me come through  
'Cause I been needin' you lately Can you tell me where did you go?  
Hear me, hear me now  
Can you tell me where did you go?  
Hear me, oh
