

# Easy Come, Easy Go

George Strait

Says she's had enough of me  
I've had enough of her, too  
I might as well go on and set her free  
She's already turned me loose No fault, no blame, nobody done no wrong  
That's just the way it sometimes goes  
Sometimes two people just don't get along  
And it's time to hit the road Goodbye, farewell, so long  
Vaya con Dios  
Good luck, wish you well, take it slow  
Easy come, girl, easy go We tried to work it out a hundred times  
Ninety-nine, it didn't work  
I think it's best we put it all behind  
Before we wind up gettin' hurt No hard feelings, darlin', no regrets  
No tears and no broken hearts  
Call it quits, callin' off all bets  
It just wasn't in the cards Goodbye, farewell, so long  
Vaya con Dios  
Good luck, wish you well, take it slow  
Easy come, girl, easy go Easy come, girl, easy go  
Vaya con Dios, good luck  
Easy come  
Easy go
