Someone

Earshot

And if you could make up
For every single time you lied
I'd probably whisper this
Hello, goodbyeAnd so it begins again
Harder each and every time
I start to reminisce
I never seem to ever findSomeone I can trust
Someone I believe
Someone who will never try
To bring me to my kneesSomeday I will find again
Someone just like me
Someone who will take the time
In understanding meAnd if I could make up
For every single tear you cried
I'd probably never miss
Your hand in mineI never could understand
Mistakes I repeat again
I've been through this so many times
I never seem to ever findSomeone I can trust
Someone I believe
Someone who will never try
To bring me to my kneesSomeday I will find again
Someone just like me
Someone who will take the time
In understanding meYeah, I've stopped searching
To take my time
And completely clear my head
Yes, I believe it was meant to be
And I feel it's time to goSomeone I can trust
Someone I believe
Someone who will never try
To bring me to my kneesSomeday I will find again
Someone just like me
Someone who will take the time
In understanding meAnd never leave
And never scream
Someone who believes
Never lies to me
And would die for me
