

Broken Heart for Sale

[Heather Myles](#)

For sale, broken heart for sale
Needs tender loving care
If you need a spare
This broken heart's for sale Blue, if you like the shade of blue
Make an offer, you can't lose
I know it's tried and true You might find the missing pieces
If you love it and don't leave it For sale, broken heart for sale
Needs tender loving care
Shows a little wear
Got a broken heart for sale You might find the missing pieces
If you love it and don't leave it For sale, broken heart for sale
Needs tender loving care
Shows a little wear
Got a broken heart for sale Needs tender loving care
If you need a spare
Got a broken heart for sale
