Fiction Romance (Demo)

Buzzcocks

A fiction romance
I love this love story
That never seems to happen in my lifeA fiction romance
All love and glory
That never seems to happen in my lifeDreams of love and dreams of pain
And dreams again, again, again
A gain which can be yours just by taking holdDreams that I can realize
Are quite contained within your eyes
Say fiction romance is not so oldA fiction romance
The love of the ages
That never seems to matter in my lifeA fiction romance
On magazine pages
That never seems to feature in my lifeDreaming, scheming, unaware
That quite somewhere some unaware folk
Are not thinking ?bout what they have been toldSomething strange is happening to
The way I see the world I view
That fiction romance is not soldAs a fiction romantic
I never expected
All these things to happen in real lifeAnd no fiction romantic
Could ever have predicted
All the things that happened in my lifeWhen I don't know what to do
I just think about me and you
If I was a little stronger then I?d be boldSomething strange is happening to me
I don't know what these shivers mean to you
Is this a fiction and a romance getting holdA fiction romance
A fiction romance
A fiction romance
A fiction romanceA fiction romance
A fiction romance
A fiction romance
A fiction romanceFiction romance
