

Perfect

[Ash](#)

VERSE 1:

Look at you trying to be, Mr. Fix it everything, but I can do it by myself. Open doors, take out the trash, do them both then make me laugh it's fine I'll do them by myself.

CHORUS:
You are so perfect, I just wanna look into your eyes.

You don't have to be, all these things are extreme.

Let's forget them and just enjoy the ride

VERSE 2:

Be a gentleman, and pump my gas, then buy me things and give me cash, it's cool, I'll do them by myself. Oh and rescue me from all these things, 'cause little girls are just too weak, all lies, I'll do them by myself.

CHORUS:
You are so perfect I just wanna look into your eyes.

You don't have to be, all these things are extreme.

Let's forget them and just enjoy the ride oh
