

SLEEPY TIME TIME (Bruce-Godfrey)

Cream

I'm a sleepy time baby, a sleepy time boy
Work only maybe, life is a joy We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
Sleepy time time, sleepy time all the time Asleep in the daytime, asleep at night
Life is all playtime; working ain't right We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
Sleepy time time, sleepy time all the time I have my Sunday, that ain' no lie
But on Monday morning comes my favorite cry We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
We'll have a sleepy time time
Sleepy time time, sleepy time all the time
