

Brazzaville

Some people tell me, that you're not my kind
 And I believe them, but I can't get you off my mind
 Some people tell me that I should stay away
 Maybe I will, some other day
 'Cause it feels right, you know it feels good
 And I don't know what to do what I should
 And I know what makes me happy
 And in my heart you are it exactly
 I don't wanna do it, I just want you tonight
 Not just only in my dreams, save my best behavior
 For a little later, 'cause I'm only seventeen
 Think I made my mind up, I got time to grow up
 Face responsibility, livin' in the moment,
 Keepin' my heart open, while I'm only seventeen
 I'll learn my lessons, and I'll make mistakes
 And if I get burned, it'll be my heart to break
 It isn't easy, hearing what they say
 Sometimes you've got to take a leap of faith
 'Cause it feels right, yeah it feels good
 And I'm not gonna do something stupid
 Just this once I wanna feel like
 I can do what I want when I hold tight
 I don't wanna do it, I just want you tonight
 Not just only in my dreams, save my best behavior
 For a little later, 'cause I'm only seventeen
 Think I made my mind up, I got time to grow up
 Face responsibility, livin' in the moment,
 Keepin' my heart open, while I'm only seventeen
 Yea
 Anyone, who's ever been in love
 Has got to know, what it means to have a dream
 And no one can say anything
 To change my mind, no, not this time
 Feels good
 I should
 Makes me happy
 And you are it exactly
 I don't wanna do right, I just want you tonight
 Not just only in my dreams, 'cause I'm only seventeen

Time to grow up, face responsibility
Keepin' my heart open
Seventeen
I just want you do right
Only in my dreams
Only seventeen only seventeen only seventeen
Yea
