

Breathless (Jbored76 remix)

Jerry Lee Lewis

Now, if you love me
Let's please don't tease
If I can hold you then
 Let me squeeze
My heart goes 'round and 'round
 My love comes tumblin' down
You leave me breathlessWell, I shake all over and
 You know why
 I'm sure it's love and
 That's no lie
 'Cause when you call my name
 You know I burn like wood inflamed
 You leave me breathlessOh, baby, mm crazy
 You're much too much
 Honey, I can't love you enough
 It's all right to hold me tight
 But when you love me
 Love me rightOh, come on, baby
 Don't be shy
 'Cause love was meant for you and I
 Wind, rain, sleet or snow
 I'm gonna be wherever you go
You have left me breathlessWell, it's all right to hold me tight
 But when you love me
 Love me rightOh, come on, baby
 Don't be shy
 Love was meant for you and I
 Wind, rain, sleet or snow
 I'm going to be wherever you go
 You leave me breathless
