

# Where Eagles Dare

## Iron Maiden

It's snowing outside but rumbling sound  
Of engines roar in the night  
The mission is near, the confident men  
Are waiting to drop from the sky  
The blizzard goes on, but still they must fly  
No one should go where eagles dare  
Bavarian Alps that lay all around  
They seem to stare from below  
The enemy lines a long time passed  
Are lying deep in the snow  
Into the night they fall through the sky  
No one should fly where eagles dare  
They're closing in, the fortress is near  
It's standing high in the sky  
The cable cars the only way in  
It's really impossible to climb  
They make their way but maybe too late  
They've got to try to save the day  
The panicking cries, the roaring of guns  
Are echoing all round the valley  
The mission complete, they make to escape  
Away from the eagles nest  
They dared to go, where no one would try  
They chose to fly where eagles dare
