I'll Remember April

Sarah Vaughan

This lovely day will lengthen into evening
We'll sigh goodbye to all we ever had
Alone where we have walked together
I'll remember April and be gladI'll be content you loved me once in April
Your lips were warm, and love and spring were new
I'm not afraid of autumn and her sorrow
For I'll remember April and youThe fire will dwindle into glowing ashes
For flames live such a little while
I won't forget, but I won't be lonely
I'll remember April and smile
