Killer Shark Attack

Nicotine

One day at the sea shore
I saw the triangle
I saw the triangle
It was moving on the surface
Is that people sailin' on a boat
Oh, it's not
It's a sharkI swim hard. it's so tough
Oh, no! he's trying to get me
I swim hard. it's so tough
Why do i have to run away
I swim hard. it's so tough
I said goodbye to all my friends
My mom and dadI know he's coming
So close to me
I've seen that shark
He was on t.v.
