Seven Doors Hotel

Europe

Four hundred years back in this time
Seven Doors Hotel
A massacre took place and a young man died
Opened one gate to Hell
The Eibon is open
Use your eyes to read and learn
In the end it could be, it could be your turn
1981 traces were found
That could not exist in one's mind
A woman could lead you, totally deceive you
Without you're knowing she's blind
The Eibon is open
Use your eyes to read and learn
In the end it could be, it could be your turn
Oh, oh, oh, Seven Doors Hotel
Oh, oh, oh, one of seven gates to Hell
Oh, oh, oh, Seven Doors Hotel
Oh, oh, oh, one of seven gates to Hell
Do always watch out for things that you see
But don't understand
The Devil is there, always somewhere
Ready to command
The Eibon is open
Use your eyes to read and learn
In the end it could be, it could be your turn
Oh, oh, oh, Seven Doors Hotel
Oh, oh, oh, one of seven gates to Hell
Oh, oh, oh, Seven Doors Hotel
Oh, oh, oh, one of seven gates to Hell
Four hundred years back in this time
Seven Doors Hotel
A massacre took place and a young man died
Opened one gate to Hell
The Eibon is open
Use your eyes to read and learn
In the end it could be, it could be your turn
Oh, oh, oh, Seven Doors Hotel
Oh, oh, oh, one of seven gates to Hell
Oh, oh, oh, Seven Doors Hotel

Oh, oh, oh, one of seven gates to Hell
