

# Seven Doors Hotel

## Europe

Four hundred years back in this time  
Seven Doors Hotel  
A massacre took place and a young man died  
Opened one gate to Hell  
The Eibon is open  
Use your eyes to read and learn  
In the end it could be, it could be your turn  
1981 traces were found  
That could not exist in one's mind  
A woman could lead you, totally deceive you  
Without you're knowing she's blind  
The Eibon is open  
Use your eyes to read and learn  
In the end it could be, it could be your turn  
Oh, oh, oh, Seven Doors Hotel  
Oh, oh, oh, one of seven gates to Hell  
Oh, oh, oh, Seven Doors Hotel  
Oh, oh, oh, one of seven gates to Hell  
Do always watch out for things that you see  
But don't understand  
The Devil is there, always somewhere  
Ready to command  
The Eibon is open  
Use your eyes to read and learn  
In the end it could be, it could be your turn  
Oh, oh, oh, Seven Doors Hotel  
Oh, oh, oh, one of seven gates to Hell  
Oh, oh, oh, Seven Doors Hotel  
Oh, oh, oh, one of seven gates to Hell  
Four hundred years back in this time  
Seven Doors Hotel  
A massacre took place and a young man died  
Opened one gate to Hell  
The Eibon is open  
Use your eyes to read and learn  
In the end it could be, it could be your turn  
Oh, oh, oh, Seven Doors Hotel  
Oh, oh, oh, one of seven gates to Hell  
Oh, oh, oh, Seven Doors Hotel

Oh, oh, oh, one of seven gates to Hell
