

# Drum and Bass Line

## Aswad

In a different style  
Dub plate spinning all the while  
What the people wanting  
Dub plate till a morningThat's what they all are shouting for  
Can you hear them  
Seems they just can't refuse it  
Just go to bounce and use itSeems they were born with rhythm within  
And you couldn't give up now  
You know you couldn't give up now  
Couldn't give up nowWhat you do dancing to the rhythm  
Of the drum and bass line  
To the question that you're asking  
It's clear to see my friendTime before when we use music  
To cool our very soul  
And when slave master beat I with the whip  
And he made I jump and twistWe use that music to cool us down I say  
You couldn't give up now  
You know you couldn't give up now  
Couldn't give up nowWhat you do dancing to the rhythm  
Of the drum and bass line  
To the question that you're asking  
It's clear to see my friendTime before when we use music  
To cool our very soul  
And when slave master beat I with the whip  
And he made I jump and twistWe use that music to cool us down I say  
You couldn't give up now  
You know you couldn't give up now  
Couldn't give up nowWhat you do dancing to the rhythm  
Of the drum and bass line
