

She's Too Tough

Foreigner

My girl, everybody says she's alright
And I know that she's more than alright
Well, she's a hard headed woman Got a mean attitude
I may have bitten off more than I can chew
I get a little light headed at her altitude
But she goes one step higher If I'm going to spend the rest of my life
With a woman like that, I better think twice
She's too tough, I said she's too tough
From the moment she wakes up
Her mind is made up, she's too tough
She's too tough My girl, she's got a way about her
I know I can never live without her
She's a hard headed woman
So hard to please She's got her own way of dealing with me
I'm out on a limb, I'm a cat up a tree
But this tree's on fire I want that woman for the rest of my life
I don't know if I'm up to payin' the price
She's too tough, I said she's too tough
From the moment she wakes up
Her mind is made up, she's too tough
She's too tough You hear she's too tough
Well, I don't believe
I'll ever leave her, she's too tough
She's too tough Well, if I'm gonna spend the rest of my life
With a woman like her, I'd better think twice
She's too tough, I said she's too tough
From the moment she wakes up
Her mind is made up
She's too tough, that's right She's too tough
If I do what I'm told
She's gooder than gold to me
She's too tough, I said she's too tough
When push comes to shove
This must be love, she's too tough Yeah she's too tough
Well I don't believe
I'd ever leave her, never leave her
She's too tough, she's too tough
