[Dan Croll](#)

I went back, I went back to your love  
And I felt so many wrongs  
That I wasted on you by the crowd  
And I called, you called me  
And I whispered your name  
I went home, we stared blank  
To the pages I loved Well, I just wanna compliment your soul  
I just wanna compliment your soul  
Yeah, I just wanna compliment And I wasted tears, I let go  
So many rights, so many nights  
That I come and I go  
I just wanna know, do you,  
And I can't ever be shut out  
You're meant to be the wrong gal  
Tell it twice Cause I just wanna compliment your soul  
Yeah, I just wanna compliment your soul  
I compliment your  
I compliment your
