

This Feeling

The Kicks

So young and so wild, girl
Our love was just a game
 But I was afraid that
 One day you'd walk away
 I've been low and I've down
When you're not aroundWell, it's you that I am looking for
 You're all I ever want and more
It's true that now I've got this feelingRemember the time when
 I showed up at your door
 Wearing my clothes from
 The show the night before
 Been too long since I've seen you
When you're not around I'm feeling so blue
 Let me tell you one thing before you go,
 Let me tell ya'ChorusI've been low and I've been down
When you're not aroundIt's you, you're all I'm looking for
 You're all I ever want and more
It's true that now I've got this feelingIf a man has the right to give
 His lady something sensitive
It's true that now I've got this feelingNow I've got this feeling
 Now I've got this feeling
