Easy Way Out

Carmen Rizzo

You better do it now
The things that I've heard you say
You want to do
Cuz I'm telling you
Time, time moves fast

I don't want to look back
And be that person
I don't want to feel like
I've wasted my life
What is it that I'm
I'm so afraid of?
Do I always take the easy way out?

Procrastination's flight
Winded as I'm trying
Tomorrow never come
If you don't make it happen
Don't you?
Don't you know?

I don't want to look back
And see that person
I don't want to feel like
I've wasted my life
What is it that I'm
I'm so afraid of?
Do I always take the easy way out?

It used to be so clear
All the things that i ever wanted
Where do my dreams go?
Don't know who I've become

I don't want to look back
And be that person
I don't want to know I
Missed the boat
Gotta take control
And review my choices

I'm hiding from myself for far too long

It's not too late
I don't want to be that missing person
I don't want to be the one who drowned
Gotta to face the facts
It's now or never
Can't get any worse
I have nothing to lose

I don't want to look back
And see that person
I don't want to wait till
It makes me ill
Life is more than I'm
Just going through the motions
Need to feel alive
Stop standing still

You better do it now
The things that I've heard you say
You want to do
Cuz I'm telling you
Time, time moves fast
