

# I Want You

Kandi

Check this outAin't no need in playing games  
'Cause I want you  
And I want you to want me, yeah  
And I hope you feel the same  
'Cause I want you  
And I want you to want me too, babyYeah, I want you  
And I want you to want me too, baby  
Yeah, I want you  
And I want you to want me, yeahI've been wondering what you're thinking  
Every day, hanging out as friends  
I can't wait till next time that we meet  
I walk away hoping you'll grab my hand  
And share how you feelin'I wanna tell you how you  
Make me feel so warm inside  
And all day I think of you  
And can't get you off my mind, noWhen I'm with you I hate  
When is time to say goodbye  
And I hope this feelin' is mutual  
Ain't nowAin't no needing playin' games  
'Cause I want you  
And I want you to want me, yeah  
And I hope you feel the same  
I want you  
And I want you to want me too, babyI want you  
And I want you to want me too, baby  
I want you  
And I want you to want me, yeahI don't wanna seem aggressive  
But while wait around on you to step to me  
'Cause I just might miss my opportunity  
So here I am, showing you all my cards  
I'm gambling with my heartI wanna tell you how you  
Make me feel so warm inside  
How all day I think of you  
And can't get you off my mindWhen I'm with you I hate  
When is time to say goodbye  
And I hope this feelin' is mutualAnd no need in playin' games  
'Cause I want you  
And I want you to want me, yeah  
And I hope you feel the same

I want you  
And I want you to want me too, baby I want you  
And I want you to want me too, baby  
I want you  
And I want you to want me, yeah I want you, I need you  
You're the thing that I've been missing in my life  
Oh, I want you  
And I want you to want me, yeah
