Good Ol' Fashion Nightmare

Matt & Kim

Show me the side streets in your life
Train yards like bone yards sharpened knives
Sidewalks are unassuming fields
Concrete and cracks won't cut you deals
Won't cut you deals, won't cut youLost teeth like white jewels of some kind
Petty theft for penny crimes, for penny crimes
And we yellAh, like a good ol' fashion nightmare, ah
Ah, like a good ol' fashion nightmare, ahRiding trains to the end of lines
Still we've got nothing but time
The skyline looks brighter tonight
Let's go smash out every light
Your left foot in front of right, in front of right
And we yellAh, like a good ol' fashion nightmare, ah
Ah, like a good ol' fashion nightmare, ah
Ah, like a good ol' fashion nightmare, ah
Ah, like a good ol' fashion nightmare, ah
