

# This Time (feat. J Cole)

## Melanie Fiona

[Verse 1:] If only you knew all the love I had inside  
If only I told you, that you were my greatest pride  
If only I showed you just how good you made me feel  
Maybe I wouldn't be alone and you would be right here but  
I don't wanna do it over  
The first time has gone away  
You can't rewrite the past  
All I can do is say[Hook :]  
This time, I'm doing much better  
Love you like I never, ever loved you before  
Oh baby, not this time  
I'm giving my heart and soul and every drop of my love  
If you say yes I'll give you my best  
This time[Verse 2:] This time I'm gonna be stronger  
This time I'll do it all the way  
This time I'll be a better woman  
This time I won't get in my own way  
If I could go back then you'd never would have gone  
If I knew then what I know now  
I've told you all that I feel for you in my heart  
In my head I know what I should've said  
I know what I shoulda did  
But I don't wanna do it over  
The first time has gone away  
You can't rewrite the past  
All I can do is say[Hook][Verse 3: J. Cole]  
If looks kill then Melanie you a felony  
We both hot I guess we couldn't take the jealousy  
All in my ear I had my homeboys telling me  
How to be a player, we fell off like Bill Bellamy  
MTV shhh, we used to watch Law and Order, NBC shhh  
But now I'm watching solo on some empty seat shhh  
Thinking of you, I got alot more drinking to do  
Reminiscing, though I seen it coming  
Yeah I had a premonition  
Right beside eachother and somehow it felt distant  
Lets rewind back when days sunny like Liston  
Your smile just glisten, your booty like a cushion  
Is this the moment where we making up

And realize we tripping forever breaking up  
And then I break you off, put you to sleep know its deep  
When the girl of his dreams is the same one to wake him up[Hook]
