It's Too Late to Love Me Now

[Charly McClain](#)

It's too late, you say you want me, but it's too late
Once my love for you was so great
But it's too late to love me now
It's too late to love me nowIt's too bad, you say you need me and it's too bad
I know the feelin' and it's so sad
But it's too late to love me now
It's too late to love me nowDon't you know how hard I tried to hold out just for you
Lovin' you from memory day by day
Then someone came into my life and turned my dreams around
And he's taken all the love you turned awayIt's too late, you say you want me, but it's too late
Once my love for you was so great
But it's too late to love me now
It's too late to love me now
