

# No Fun

## Local H

Advisory - the following lyrics contain explicit language:

Depression is in session  
And there's not a lot of lessons  
To be learned now Were chosen by the dozen  
With the buzzer barely buzzin'  
And we're burned out And it's no fun  
Yeah, it's no fun  
Well, it's no fun I think I'm going crazy  
But it's maybe not the crazy  
That you're used to It's no fuckin' fun  
It's no fuckin' fun  
It's no fuckin' fun  
It's no fuckin' fun The singer's in a ringer  
Cause the songs that he's been singing  
Reek off bullshit The drummers been a bummer  
It's been one hell of a summer  
And who needs it? Well, it's no fun  
Yeah, it's no fun  
Well, it's no fun I think I'm going crazy  
But it's maybe not the crazy  
That you're used to It's no fuckin' fun  
It's no fuckin' fun  
It's no fuckin' fun  
It's no fuckin' fun Well, it's no fun  
Yeah, it's no fun  
Well, it's no It's no fuckin' fun  
It's no fuckin' fun  
It's no fuckin' fun
