

# I May Be Rude But I'm the Truth (B-Side)

## Cobra Starship

They all compete for your love  
But I don't need to screw with that  
If you don't believe, it's your loss, your loss I don't mind what they say  
And I don't need what they got  
If you don't like what I say  
Put it in your blog  
I promise no one even gives a damn I never needed your sympathy  
'Cause I got my own money  
And there ain't nothin' you can do to me  
I've beaten off the floor before And we go sha, na, na, na, na, na  
Don't give a damn about  
Sha, na, na, na, na, na  
Go on and scream and shout  
Sha, na, na, na, na, na  
And I may be rude but I'm the truth, yeah And I'll let you watch me fall down  
'Cause I got no shame in that  
He's just a face in the crowd  
So watch out You don't mean what you say  
You don't roll, that's an act  
I'm the same off the stage  
What you see is what you get  
Maybe you don't know what you lookin' at I never needed your sympathy  
'Cause I got my own money  
And there ain't nothin' you can do to me  
I've beaten off the floor before And we go sha, na, na, na, na, na  
Don't give a damn about  
Sha, na, na, na, na, na  
Go on and scream and shout  
Sha, na, na, na, na, na  
And I may be rude but I'm the truth, yeah I never needed your sympathy  
'Cause I got my own money  
And there ain't nothin' you can do me  
I've beaten off the floor before And we go sha, na, na, na, na, na  
Don't give a damn about  
Sha, na, na, na, na, na  
Go on and scream and shout  
Sha, na, na, na, na, na  
Sha, na, na, na, na, na

And I may be rude but I'm the truth, yeah
