

Earth Is the Place

Nathan Haines

Do what I wanna do
See who I wanna see
Go where I wanna go
And be who I wanna be

Laugh when I wanna laugh
Sing when I wanna sing
Take what I wanna take
And bring what I gotta bring

Shout when I wanna shout
Talk when I wanna talk
Run when I wanna run
And walk I wanna walk

Cause I'm a woman
cause I'm a woman (x2)

I'm blue when I wanna be blue
I'm green when I wanna be me
I'm red when I'm mad at my head
And I'm yellow when I wanna be seen

I'm brown when I wear a ???
I'm gold when I wear a crown
I dance when I wanna get down
Colors they go all around

Cause I'm a woman
cause I'm a woman (x2)

I get high when I wanna get high
Proud whe I wanna be proud
I travel when I wanna get away
And stay when I wanna stay

I feel when I wanna feel
I ??? ??? when I wanna get real
I spend when I wanna spend

And I end when I wanna end

Cause I'm a woman
cause I'm a woman (x2)

Earth is the place that I live
Love is the space that I give
(x2)
