Frozen

Delain

Misty windows hide your empty eyes
Every moment, every whisper
Seperates you from me
I've been screaming, won't you let me in?
Let me see a trace of the places
Hidden under your skinChorus:
Answer me
Until the day that you do
I'll be one step behind you
Answer me
Until the day that you do
I'll be waiting here for youNeedles stick me when you look away
And your silence sounds like
Deafening screams to me
I've been waiting, won't you open your heart?
And let me in
Please let me inAnswer me
Until the day that you do
I'll be one step behind you
Answer me
Until the day that you do
I'll be waiting here for youFree your mind from doubts
All you have is now*
Free your mind from shame
It will only bring you painAnswer me
Until the day that you do
I'll be one step behind you
Answer me
Until the day that you do
I'll be waiting here for you
