

Beg, Steal Or Borrow

The New Seekers

You know I'll beg, steal or borrow I'll bring you love I look at you and I see what I've been looking for Now
it's very clear to me - we should be together You make me feel I could reach for the impossible And knowing
how much you care, I'll be there forever You know I'll beg, steal or borrow To give you sunny days And in a
hundred ways, I'll bring you love You know I'll beg, steal or borrow (Yes, I will) To make your garden grow
And most of all you know, I'll bring you love Love I always knew that the world could be a finer place So what
if I have to wait - better late than never You, you're like me, and you believe love makes it all worthwhile And
although we've just begun, we'll go on forever You know I'll beg, steal or borrow To give you sunny days And
in a hundred ways, I'll bring you love You know I'll beg, steal or borrow To make your garden grow And most
of all you know, I'll bring you love, yeah Love You know I'll beg, steal or borrow To give you sunny days And
in a hundred ways, I'll bring you love, love, love, yeah Love, love, l
