

# Buster

## Ooberman

Yeah, ooh, yeah, yeah  
Yeah, yeah, oh  
I'm standing in the club doing my own thing  
When you thought you would approach me  
(Hey, hey)  
Saying things that you shouldn't be  
I'm not your average girl  
You can't put your hands on this  
So I move to my right  
Stay out my sight, ooh, don't trip  
So what's that scratching around here  
'Cause I feel a messy atmosphere  
You never gonna get my love, is that clear?  
(Ooh yeah)  
You can't creep up to me fool  
I'm too focused to lose my cool  
See you from a mile away  
Oh  
Buster trying to get his hands on me  
Spinning a line to get me in a taxi  
Not that easy can't you understand  
(No)  
You ain't getting a thing  
(No)  
Buster trying to some dirty  
Trying to simulate a fantasy  
Not that easy, can't you understand  
(No)  
I'll repeat it again  
(No)  
A negative response is all  
That you're gonna get  
But now I'm too turned off  
You ain't gonna flip my switch  
'Cause I'm not your average girl  
I'm not gonna take your game  
So I move to the left  
Shadow my step, ain't got no shame  
So what's that scratching around here

'Cause I feel a messy atmosphere  
Never gonna get my love, is that clear?

(Ooh)

You can't creep up to me fool  
I'm too focused to lose my cool  
See you from a mile away, ooh  
Buster trying to get his hands on me  
Spinning a line to get me in a taxi  
Not that easy can't you understand

(No)

You ain't getting a thing

(No)

Buster trying to some dirty  
Trying to simulate a fantasy  
Not that easy, can't you understand

(No)

Should I repeat it again?

(No)

Ice cool, I wanna melt you down  
Buster I've seen your type around  
Your sting, you know you it can't get me on down  
Bound, bound, b-b-bound, bound  
I can feel you playa suckin' up the atmosphere  
Trying to get me home but I thought I told you

(No)

But I thought I told you

(No)

B-b-but I thought I told you  
Buster trying to get his hands on me  
(In a taxi)

Spinning a line to get me in a taxi, hey, all me

(No)

You ain't getting a thing

(No)

Buster trying to some dirty  
Trying to simulate a fantasy  
Not that easy can't you understand

(No)

Should I repeat it again?

(No)

Buster, trying to get his hands on me  
Spinning a line to get me in a taxi  
Not that easy can't you understand

(No)

You ain't getting a thing

(No)

Buster, trying to some dirty  
Trying to simulate a fantasy  
Not that easy can't you understand

(No)

Should I repeat it again?

(No)
