With You

Valerie June

Can I have this dance?
Shall we take a chance?
Oh, to long and pine
Oh, to search and findIt's a do-si-do
It's a toe to toe
Plant a money tree
Grow a love so freeAnd if I should fall so deep and true
And if I should fall so deep
May it be with youGolden vest judge
But we don't think much
'Bout what went or came
Only what remainsAnd if I should fall so deep and true
And if I should fall so deep
May it be with youPeriwinkle rose
And each day we chose
Haven't known you long
Kept it sweet and strongWrite a poem or song
But you can't hold on
To what's come or gone
Only what's begunAnd if I should fall so deep and true
And if I should fall so deep
May it be with you
May it be with you
May it be with you
May it be with you
