I Walk A Little Faster

Blossom Dearie

Pretending that we'll meet
Each time I turn a corner
I walk a little fasterPretending life is sweet
'Cause love is around the corner
I walk a little fasterCan't begin to see my future shine as yet
No sign as yet, you're mine as yet
Rushing toward a face I can't divine as yet
Keep bumping into walls and taking lots of fallsBut even though I meet
At each and every corner
With nothing but disasterI set my chin a little higher, hope a little longer
Build a little stronger castle in the air
And thinking you'll be there
I walk a little fasterCan't begin to see my future shine as yet
No sign as yet, you're mine as yet
Rushing toward a face I can't divine as yet
Keep bumping into walls and taking lots of fallsBut even though I meet
At each and every corner
With nothing but disasterI set my chin a little higher, hope a little longer
Build a little stronger castle in the air
And thinking you'll be there
I walk a little faster
