

# Bummin'

## Relient K

You can have my life, I'm sad  
You can have the beat in my heart  
You can be my light, pizazz  
You can be my spark in the dark  
But if I'm out there actin' the bum, I'll become one  
So no more frigid nights in the cold  
I would fall asleep in the lawn, 'til the sun rose  
14 carat gold, gold  
You can have my life, I'm sad Broken down-town down on Wedgewood & Eighth  
And I'm bleedin' like a heartache,  
Get (or and?) ready to break  
And then oh on down the road,  
Comes another mistake  
Try to hide as I might, I can't quite get it right  
I'm bummin', oh  
I'm bummin', oh We can ride the bus all around in this town, I'm on it  
We can fall asleep on the ground by the sound, I want it  
Picture perfect, matted and framed, with my name right on it  
14 carat gold, gold  
You can have my life, I'm sad Broken down-town down on Wedgewood & Eighth  
And I'm bleedin' like a heartache,  
Get ready to break  
And then oh on down the road,  
Comes another mistake  
Try to hide as I might,  
I can't quite get it right  
I'm bummin', Broken down-town down on Wedgewood & Eighth  
And I'm bleedin' like a heartache,  
Get ready to break  
I'm burnin' in the sun,  
And I'm barely awake  
Try hard as I might,  
I can't quite get it right  
I'm bummin', oh  
I'm bummin', oh I can't afford this bummin', no  
I can't afford this bummin', no  
I can't afford this bummin', no  
I can't afford this bummin', no So take this life you gave me  
Save me from vices, oh

I can't afford this bummin', no  
I'm in a crisis, oh  
So take this life you gave me,  
Save me from my vices  
I'm bummin'  
I'm bummin'Broken down-town down on Wedgewood & Eighth  
And I'm bleedin' like a heartache,  
Get ready to break  
And then oh on down the road,  
Comes another mistake  
Try to hide as I might,  
I can't quite get it right  
I'm bummin'  
I'm bummin'I can't afford this afford this bummin', no,  
I'm in a crisis, oh  
So take this life you gave me,  
Save me from my vices
