Qheem the Redeemed

Qheem:
First Verse

Sometimes it goes bad man! I want to check out my mind no cat scan.

Itâ€™s a 911, a Bin Laden Because Iâ€™m finna lose it all no lap band!

But when I see my DADA (GOD), HE open the bottle and then I see the Wata (water)!

HE set me free like walla, they be like Alla!

But Iâ€™m like JESUS or Nah!

Hook

JESUS or Nah? JESUS or Nah? JESUS or Nah? Itâ€™s all love but itâ€™s JESUS or Nah Brah!

JESUS or Nah? JESUS or Nah? JESUS or Nah? Nah Nah Nah Nah Nah!

Itâ€™s all love but itâ€™s JESUS or Nah Brah!

Second Verse

HE was my intro when I was really outro!

First the sin go and now Iâ€™m letting doubt go!

Itâ€™s been a rocky road but Iâ€™m finna walk it out tho!

Iâ€™m really seeing what JESUS is all about yo!

The devil had me snortinâ€™ on Rapunzel!

Wit the Newport, bottle and the bundle!

On a roof top party till the gun blow!

But HE promised to finish what HE begun tho!

We need the Lion of Judah lifeâ€™s a jungle!

I know you lost somewhere in El Segundo!

Thatâ€™s why the cross is there yâ€™all can come go!

Thatâ€™s why the Cross is there yâ€™all can come go!

I got a drop back shot like Steph Curry!

I got a double edged Sword, itâ€™ll get your neck dirty!

The devil did me foul, I donâ€™t blame it on the referee.

JESUS hit the free-throw, the rest it was HIStory!

Hook

JESUS or Nah? JESUS or Nah? JESUS or Nah? Itâ€™s all love but itâ€™s JESUS or Nah Brah!

JESUS or Nah? JESUS or Nah? JESUS or Nah? Nah Nah Nah Nah Nah!

Itâ€™s all love but itâ€™s JESUS or Nah Brah!

Third Verse

Itâ€™s only two choices

. You can listen to one of the two voices.

My crew is not confused by jewels or Rolls Royceâ€™s!

And we donâ€™t move with dudes who donâ€™t voice this!

I used to be a dead man but now its HOGMOB GOD over bread man!

Just open up the Word I know you heard what it said man!

How they took HIM and put HIM on the Cross HE hung and bled man!

Now our bond is beyond beyond!

Iâ€™m walking in the light and Iâ€™m shining like Neon Deon!

Blow the bombs Vietnam begun, then HE took me from the night to the Light and Iâ€™m finally home!

We get to see my DADA, We get to see the wata!

HE set us free like walla!

They be like Allah but Iâ€™m like JESUS or Nah Brah!

Hook

JESUS or Nah? JESUS or Nah? JESUS or Nah? Itâ€™s all love but itâ€™s JESUS or Nah Brah!

JESUS or Nah? JESUS or Nah? JESUS or Nah? Nah Nah Nah Nah Nah!

Itâ€™s all love but itâ€™s JESUS or Nah Brah!
