

Hang With Me (Kaiserdisco Remix)

Robyn

Will you tell me once again
How we're gonna be just friends?
If you're for real and not pretend
Then I guess you can hang with me When my patience wearing thin
When I'm ready to give in
Will you pick me up again?
Then I guess you can hang with me And if you do me right
I'm gonna do right by you
And if you keep it tight
I'm gonna confide in you
I know what's on your mind
There will be time for that too
If you hang with me Just don't fall recklessly, heedlessly in love with me
'Cause it's gonna be
All heartbreak, blissfully painful insanity
If we agree
Oh, you can hang with me When you see me drift astray
Out of touch and out of place
Will you tell me to my face?
Then I guess you can hang with me And if you do me right
I'm gonna do right by you
And if you keep it tight
I'm gonna confide in you
I know what's on your mind
There will be time for that too
If you hang with me Just don't fall recklessly, heedlessly in love with me
'Cause it's gonna be
All heartbreak, blissfully painful insanity
If we agree
You can hang with me Will you tell me once again
How we're gonna be just friends?
If you're for real and not pretend
Then I guess you can hang with me And if you do me right
I'm gonna do right by you
And if you keep it tight
I'm gonna confide in you
I know what's on your mind
There will be time for that too
If you hang with me Just don't fall recklessly, heedlessly in love with me

'Cause it's gonna be
All heartbreak, blissfully painful insanity
If we agree
You can hang with me Don't fall recklessly, heedlessly in love with me
'Cause it's gonna be
All heartbreak, blissfully painful insanity
If we agree
We can do whatever
If you hang with me Don't fall recklessly, heedlessly in love with me
'Cause it's gonna be
All heartbreak, blissfully painful insanity
If we agree
You can hang with me
