

# 18 Miles To Memphis

## Stray Cats

We've been driving all night long  
Just to reach our destination in your town  
We've been five hundred miles everyones asleep there's not a sound  
Ooh eighteen wheels a-rolling, eighteen wheels a-rolling round and round  
Please mister driver won't you pull  
over here we're really hungry  
Well we'll have 14 steak and eggs,  
14 orange juice and 14 cups of coffee  
Let's get back on the bus, this is one place that I really want to see  
Well we're 18 Miles from Memphis  
18 Miles to Memphis  
Yeah, 18 Miles to Memphis  
18 Miles to Memphis  
Got a rocket in my pocket and I hit the fuse  
Taking off in your direction have you heard the news  
We're just 18 Miles to Memphis and we won't leave 'til I rocked you all  
Alabama, Mississippi, Florida,  
Louisiana, big 'ol Texas  
From New England down to Georgia, Kansas City, Colorado,  
California  
Well it's the last night of our tour,  
We're gonna rock you through the roof, just wait and see
