Full Colours

Cats On Trees

There are some situations
Sometimes you have to face yourself
And focus on a new bay
You have to draw some new lines
And paint until the end
A white page for a new day
The colours are the rhymes
You sing poems in your paintings
A new time for a new life
I knew you'd come alongRainbow unlike the other
Rainbows unlike the other days
I rose, I stared, I turned into a manYou transcend us on your way
And knocking on her tummy telling me
You come to change me
Ain't over it's not over
I'll remember the dayRainbow unlike the other
Rainbows unlike the other days
I rose, I stared, I turned into a manLife's kind of funny sometimes
Life seems scary sometimes
Life's kind of funny sometimesAnd today when I woke upRainbow unlike the other
Rainbows unlike the other days
I rose, I stared, I turned into a man
