

Let Me Love You (remix)

Ne-yo

Let me love, let me love, let me love you!
Let me love, let me love, let me love you!
Much as you blame yourself,
You can't be blamed for the way that you feel
Had no example of a love that was even remotely real
(Turn the lights on!)
How can you understand something that you never had?
Ooh, baby, if you let me, I can help you out with all of that!

Chorus:

Girl, let me love you,
And I will love you, until you learn to love yourself!
Girl, let me love you,
I know your trouble Don't be afraid,
Girl, let me help!
Girl, let me love you,
And I will love you, Until you learn to love yourself
Girl, let me love you,
A heart in numbness that's brought to life,
I'll take you there!
(This is the remix...)

(Let me love, let me love..)Hey
(..let me love you..) (Girl, let me love you)
(Let me love..) Girl let me love you baby
(..let me love, let me love you..)
Oooh (Girl, let me love you)
[French Montana:]Let me love you, I promise
We'll push that drop right threw Collins,
And when I'm stressed with them problems,
I'm blowing stacks up in Onix,
I'm talking, sipping, syrup, double cup
We was down, now we up,
when you down, I'll pick you up
Murcie-Lago, Lambo-truck
Highs with the lows, getting high in a Rolls
On the couches spillin Rose
Let me love you, fuck them hoes!
Got it all here, don't cheat yourself
You don't owe me man you owe ya self,
Put your guards down, I love to help

But you can't let me till you let yourself
Ah, she's fisty with it

Trying to keep me in check like Nike with it
Cause her last boyfriend was shy with her
Rich and famous, life we living
Them long flights, them long nights
Them short days, that Porsche white
Cop two for you, cop two for me
Promise we'll be for life,
(MONTANA!)

Chorus:

Girl, let me love you,
And I will love you, until you learn to love yourself!
Girl, let me love you,
I know your trouble Don't be afraid,
Girl, let me help!
Girl, let me love you,
And I will love you, Until you learn to love yourself
Girl, let me love you,
A heart of numbness that's brought to life,
I'll take you there!
Oooh hey, (Let me love..)
Girl, let me love you baby,
(..let me love, let me love you..)
(Girl, let me love you)
Let me love you! (Let me love..)
Girl, let me love you baby-ay, (..let me love, let me love you..)
(Girl, let me love you!)

Bridge:

I can see the pain behind your eyes
It's been there for quite a while
I just wanna be the one to remind what it is to smile
I would like to show you what true love can really do
Girl, let me love you,
And I will love you, until you learn to love yourself!
Girl, let me love you,
I know your trouble Don't be afraid,
Girl, let me help!
Girl, let me love you,
And I will love you, Until you learn to love yourself
Girl, let me love you,
A heart in numbness that's brought to life,
I'll take you there!
Oooh Hey!
