Let Go (Frou Frou cover)

A Static Lullaby

Drink up, baby, down
Are you in or are you out?
Leave your things behind
'Cause it's all going off without youExcuse me, too busy
You're writing your tragedy
These mishaps you bubble-wrap when
You've no idea who you're likeLet go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdownLet go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdownIt gains the more it gives
And then it fantasies with the poor
So honey back for more
Now can't you see that all that stuff's essential?Such boundless pleasure
We've no time for later now
You can't await
You roll your eyes means
You've twenty seconds to complyLet go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdownLet go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdownIn ya head
Ya head
In ya head
Ya headDrink up, baby, down
Are you in or are you out?
You can't wait
You roll your eyes
Twenty second to complySo, let go
And then jump in
And oh well, what you waiting for?

And it's alright
Because there's beauty in the breakdownLet go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdownLet go, so, let go
And then jump in
And oh well, what you waiting for?
And it's alright
Because there's beauty in the breakdownLet go, so, let go
Just get in
And oh, it's so amazing here
And it's all right
Because there's beauty in the breakdown
