Nas

GeahPeace kingPeace kingListen, if they wrote a book on your lifeRightYou think anybody'll read it?No
fucking doubt!Let's make history homeyAlright thenYou know we brought the hoes clothes and money rolls to
the tableNo, fucking, doubtIt's time to manifest thisShit we the flyest niggaBring it to a whole, y'know?Gangsta

niggaNiggas better watch ya back, it's so cold
Pinky rings shining, so act like why'don't know
Bitches in heat for niggas that got dough
We the flyest gangsters
What you don't got is my natural glow
Counting out stacks and macking out hoes
Pushing big dicks and packing our chrome
We the flyiest gangstersFollow, I'm like a Lamborghini green Diablo
Coupe VT, it's like DVD when I flow
Feel me, I'm loved like the great late Malik Sealy
The one the player haters hate dearly, but can't near me
Homicide can't scare me
I o-bide by the laws of these streets sincerely, a real nigga
The type that can build with ya
Verbalize bring life to a still picture, it's God-given
Been blessed with Allah's vision, strength and beauty
Truly my only duty is to dodge prison
Play wit me, I'm modest 'til them strays hit me
Regardless the circumstances I'ma stay filthy
Dough forever, the live stay low forever
And fuck niggas, cause it's hard to keep them close together
One dependent, no wife, one co-defendant
No forms of weakness, I flow with vengeanceNiggas better watch ya back, it's so cold
Pinky rings shining, so act like why'don't know
Bitches in heat for niggas that got dough
We the flyest gangsters
What you don't got is my natural glow
Counting out stacks and macking out hoes
Pushing big dicks and packing our chrome
We the flyiest gangstersI do what I can do when I can do it
Feel how I feel when I feel what I'm feeling
Live how I live it's only cause I been through it
Learn to try it like to eat it and shit it's nothing to it
Burn it light it weed it and off the liquor, while driving outside
I'll never catch a vehicular homicide
My music is a description of my vibe of course

My life, my sites, my thoughts, what I like on my fork
 Cause you are what you eat, you eat what you can
 You pray to bless the food but first you wash your hands
 To wash away them bad spirits, don't bring it in your home
 Once you let them in they staying, evil be gone, say it
 I'm proud I'm ace but giving himself to the Lord
 Wanted his Faith, think about Big anymore
 Of course my nigga Horse got married, see shit is changing
 We ain't these little niggas no more, running dangerous
 I like to bone, I'm a peaceful brother
 Eat up so much the girls call me seafood lover
 Be having they legs shaking, stab 'em, break 'em
 I'm Hercules Hercules when having relations, the fliestNiggas better watch ya back, it's so cold
 Pinky rings shining, so act like why'don't know
 Bitches in heat for niggas that got dough
 We the flyest gangsters
 What you don't got is my natural glow
 Counting out stacks and macking out hoes
 Pushing big dicks and packing our chrome
 We the flyiest gangstersWe put this on the, soul of our bornAs we hold the Qu'ranKamikaze styleOlder cats
 coachin us onYo it's kill or be killedUnderstand, real'll be realA forty-shot spectrum make your whole embassy
 kneelIdentity sealed, protected byOur energy shieldAnd fuck a drop, cause that's that shit that got Kennedy
 killedClose the booksWas taught never expose a crookBetween the knight and the bishopWant to knock ya
 rook, I'm a rare breed never had a fair to leadI ain't light niggas reciteToo impaired to breatheWe both hard hit
 just like Camacho and Vargas, who's the target?Now watch how we close the market, motherfuckersNiggas
 better watch ya back, it's so cold
 Pinky rings shining, so act like why'don't know
 Bitches in heat for niggas that got dough
 We the flyest gangsters
 What you don't got is my natural glow
 Counting out stacks and macking out hoes
 Pushing big dicks and packing our chrome
 We the flyiest gangstersNiggas better watch ya back, it's so cold
 Pinky rings shining, so act like why'don't know
 Bitches in heat for niggas that got dough
 We the flyest gangsters
 What you don't got is my natural glow
 Counting out stacks and macking out hoes
 Pushing big dicks and packing our chrome
 We the flyiest gangsters
