

# Show Me (Ralphi Rosario Club Mix)

## Jessica Sutta

Say say what you wanna say say  
Tell it to me every day day  
But if you don't show me  
Words words all they are is words words  
Stupid poetry and verse verse do do you even know me That first thing that I saw in your eyes  
Did you mean, was it only lies, only lies  
'Bout, 'bout have you ever thought  
About how this is supposed to go, yeah  
Do do you know, do you, oh Love is not a gimme gimme,  
If you really with me you gotta  
Show me, show me  
Show me, show me  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me show me  
Show me, show me  
You say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie gimmie  
If you really with me, gotta show me  
Show me, show me, show show me  
Love, show me love, yeah Eyes eyes eyes open up your eyes eyes  
Don't hide what you got inside inside  
If you wanna know me  
Hey hey I'm not gonna stay stay  
Kick it with you night and day day  
No if you don't show me  
Everything hidden in your heart  
All your fears every single part, single part  
'Bout, 'bout have you ever thought  
About how this is supposed to go, yeah  
So do you know, do you, oh Love is not a gimme gimme,  
If you really with me you gotta  
Show me, show me  
Show me, show me  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me show me  
Show me, show me

You say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie gimmie  
If you really with me, gotta show me  
Show me, show me, show show me  
Love, show me love  
Show me love, show me love  
Show, show me Everything I got is everything you need  
Everything you want is inside of me Love is not a gimme gimmie,  
If you're really with me gotta  
Show me, show me  
Tell it to me with your mouth  
But when it all comes down  
You gotta show me show me  
Show me, show me  
You can say it feels right say it to me all night  
I don't think you understand  
Love is not a gimmie gimmie  
If you really with me, gotta show me  
Show me, show me, show show me  
Love, show me love  
Show me love, show me love  
Show, show me love Show me love
