

Not Enough

Our Lady Peace

There's nothin' you can say, nothin' you can do
There's nothin' in between, you know the truth
Nothin' left to face, there's nothin' left to lose
 Nothin' takes your place
 When they say you're not that strong
 You're not that weak, it's not your fault
 And when you climb up to your hill
 Up to your place, I hope you're well
There's nothin' left to prove, there's nothin' I won't do
There's nothin' like the pain I feel for you
 Nothin' left to hide, nothin' left to feel
 I'm always here
 When they say you're not that strong
 You're not that weak, it's not your fault
 And when you climb up to your hill
 Up to your place, I hope you're well
 What you want, what you lost
 What you had, what is gone is over
 What you got, what you love
 What you need, what you have is real
 It's not enough, it's not enough
It's not enough, it's not enough, I'm sorry
 It's not enough, it's not enough
 It's not enough, it's not enough
 When they say you're not that strong
 You're not that weak, it's not your fault
 And when you climb up to your hill
 Up to your place, I hope you're well
 It's not enough, no
 It's not enough
 It's not enough
