

# Slamin'

## Buckcherry

You're like a stone baby  
All alone baby  
Come alive when you're high, yeah.I'm on the road steady  
Hot as hell ready  
I'm the next one in line, yeah[Chorus]  
Slammin'  
It's your back side baby  
Off the hook and so out of line yeah  
Slammin'  
Is your top side heavy  
Damn you gotta give me some time, yeahWe gotta sex lady  
Stone cold crazy  
Let me come from behind, yeahI'm on the phone beggin',  
Give me a piece of heaven,  
I'm only here for the night yeah[Chorus]After the last song  
She comes around  
Saturdays, holidays  
We're always making the roundsI need some face women  
Please be my dirty lover  
Just do wrong don't do right, yeahI'm on the stage burning  
Keep the heads turning  
Give it all for the life, yeah[Chorus: x2]
